

HEALTH, SAFETY AND ENVIRONMENT POLICY

TUAH strives to concentrate on all Employees to perform work in a good manner to protect the health, safety, and security of others including Clients, Visitors, and Vendors/Contractors and is fully committed to preserving the quality of the environment, including the prevention of pollution.

We are committed to:

- ✓ Comply with all applicable national and international statutory regulations governing, standards and industrial best practices.
- ✓ Ensuring asset integrity and reliability of facilities and equipment to protect people, environment, property and reputation and natural resources are used sustainably.
- ✓ Periodically review and improve the health, safety and environment policy, objectives and targets while ensuring they are understood by all employees and made available to all interested parties.
- ✓ Eliminate or minimize operational hazards through Line Management Supervision, audit, inspection and surveillance.
- ✓ Pursuing innovative solutions that can contribute to the overall objective of our firm's Health, Safety and Environment management.
- ✓ Considering environmental and social impacts of procurement of our goods and services by evaluating Suppliers against their environmental performance.

A handwritten signature in black ink, appearing to read "Ahmad Nazwan Bin Mat Zin".
