

QUALITY POLICY

TUAH strives to enhance its reputation in providing comprehensive services and products by establishing and reviewing quality objectives to continually improve the effectiveness of its Quality Management System (QMS).

To achieve Company objectives and ensure Customer's satisfaction, **TUAH** will:

- ✓ Ensure the quality of our products and services while providing excellent services to our Customers and complying with statutory and legal requirements.
- ✓ Ensure that all relevant functional objectives are measurable and achieved.
- ✓ Ensure Customer satisfaction, both stated and implied.
- ✓ Ensure full commitment to the implementation of an effective and efficient integrated QMS and strive for continual improvement through annual review and revision of the QMS.
- ✓ Promote a Performance Standard and Culture of Zero Defects and Zero Rework.
- ✓ Inculcate understanding among Employees that everyone is responsible for quality and that it requires total involvement and commitment.
- ✓ Ensure compliance with all applicable requirements to meet oil and gas products reliability.

- | | |
